Financial Literacy

Public Policy

www.strategiccollegiate.com

Strategic Collegiate is an annual STEM based college prep and mentoring nonprofit focused specifically on high school students who have significant interest in:

- Biomedical Engineering
- Allied Health Science public health
- Rehabilitation Engineering

Integrated with...

- Computer Science
- Software Engineering

Strategic Collegiate hosts an annual all expenses paid trip from the DMV National Capital Region to Boston for the Harvard Medical School Biomedical Sciences Careers Program (BSCP) & New England Science Symposium (NESS) Diversity Conferences:

<http://www.bscp.org>

We also partnering with the Massachusetts Institute of Technology (M.I.T.) National Society of Black Engineers (NSBE) chapter to host a Yes-We-Code Computer Science and Biomedical Engineering Workshop: <https://nsbe.mit.edu>

To diversify the experience we tour the W.E.B. Dubois Cultural Arts Research Center at Harvard College.

<http://hutchinscenter.fas.harvard.edu/dubois>

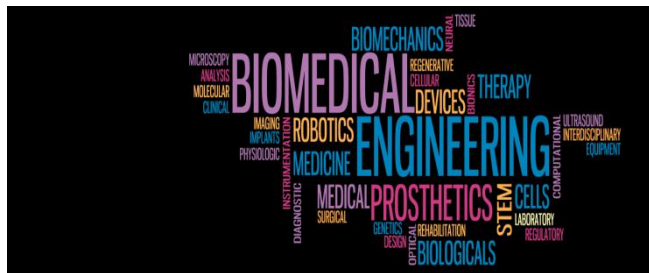

To make our trip a success we are seeking funding in the amount of \$15,000 to provide all inclusive accommodations for 10 Student STEM Scholars & 5 Academic Mentor Advisors. Cost is \$1,000 per person.

Budget Breakdown:

- Round trip flight = \$400
- Hotel Accommodation = \$300
- Ground transportation = \$100
- Food = \$75
- Stipend = \$100
- Sponsor Logo Polo & Tee shirt = \$25

TOTAL = \$1,000 per person

Please take advantage of this IRS nonprofit tax deductible donation. Thanks for your consideration and generous contribution to help students fulfilled their dreams.

Strategic Collegiate has 501(c)3 IRS tax exempt status via our Fiscal Sponsor; Remnant Center of Excellence Foundation. Your organization's generous sponsorship will provide a tremendous opportunity for DMV STEM focused students to reach their fullest academic potential.

Your organization will benefit in several key ways:

***Marketing and public relations visibility in the K-12 STEM community throughout DC, Maryland & Virginia

*** Promote positive academic progress of PGCPs, DCPS and Baltimore Public School students toward STEM majors

***Play an instrumental role in the **Strategic Collegiate** focus on college admission, retention and graduation

***IRS 501(c)3 Tax exempt charitable underwriting
